

FOR STUDENTS

# HOW TO ZOOM LIKE A PRO!

---

## NO EATING

Don't make the rest of the group hungry! Plus, you might drop something on your machine.

## DRESS WELL

You don't need to wear a suit, but wear something you might wear to school.

## STAY MUTED

Just like listening in class, wait until you're called on. If you want to talk, raise your hand!

## LISTEN A LOT

Listen to what the other students are saying! Be respectful & kind to others. Pay attention.

## REMEMBER!

### Others can see everything!

- Remove distractions around you.
- If you have to get up, turn off your camera.
- If you pick your nose WE'LL ALL SEE YOU.
